In addition I attended meetings of the Rochester Federation of Women Clubs and the Italian Civic League whenever possible. Also I was instrumental in organizing IWCC's participation in the 1st Italian Columbus Day Parade in October.

As an ad hoc member of the various IWCC committees, I attended most of these committee meetings, i.e., Dante Gala, Casino Night, Dante Scholarship, Christmas Party, Web Site, Nominating, etc. Special participation was also on my agenda for the Constitution and By Law revision and research and investigation on the 501c3 classification. (More information on this 501c3 will be coming.)

IWCC has been active in many community organizations. We have continued our mission in providing "Service To Others". Our generous donations to the charities with our Giving Basket, and Christmas Donation to Youth Hockey, US Serviceman's needy family; Casino Night donations to Juvenile Diabetes and the Mercy House all display how each of you have supported our fund raising and helped others!

With great anticipation, I look forward to serving as your president for the year 2008-09.

Respectfully submitted,
Josie Manuse, President
